

American University of Beirut

2009–10 Application for
Graduate Admission

Dear Applicant,

We are pleased that you plan to apply for graduate study at the American University of Beirut and hope that you will find the application process a relatively straightforward one.

There are several important aspects of our admissions procedures to which I would like to call your attention:

- The deadlines for applying, the dates by which students are notified of admission, and the date by which students must accept admission are earlier than they have been in the past, as detailed on the "Instructions for Applying" on the facing page.
- Students who decide to enroll will be asked to make a commitment to enroll by an earlier date.

Let me call your special attention to the Admissions section in the 2008–09 Graduate Catalogue, and to the graduate studies section for each faculty and department to which you intend to apply.

We look forward to receiving your application. Please do not hesitate to write or call the Office of Admissions with any questions you may have about applying or your preparation for admission.

Sincerely,

Salim Kanaan, PhD
Director of Admissions
