Subject: Directories of Contracted Hospitals and Pharmacies with Med Net in Lebanon
Date: August 10, 2006

The following link will guide you to:

1. Directories of “**Contracted Hospitals with Med Net in Lebanon**”
2. Directories of “**Contracted Pharmacies with Med Net in Lebanon**”.

.....

Using hospital services by HIP patients at **hospitals contracted by Med Net is allowed in emergency cases only**. In such cases patients should coordinate with Med Net office or Med Net delegate located in the hospital itself. However if the nearest hospital or healthcare provider is not on the Med Net directory then patients will have to pay the bill and be reimbursed in accordance with HIP regulations i.e. up to 80% of AUBMC rates. At AUBMC all cases are admitted based on current procedures.

Regarding pharmacies contracted by Med Net, same procedures followed so far will remain implemented. Prescriptions will be posted on Med Net system in one of the HIP/Med Net points of service (UHS, Family Medicine, HIP Office) then the patient goes to one of the pharmacies on the network, buys the medications needed and pays his/her share.

For further information please call:

- Miss Elianor Aboussouan (ext 6117) regarding “Hospitals”
- Mr. Nizar Faour (ext. 2316) regarding “Pharmacies”.
